**AUGUST GENERAL  
MEETING TO BE HELD AT  
Bendigo Car Club Rooms  
Presidents Report.**

The 2005 Annual General meeting will follow the August General meeting. There currently is a vacancy on the committee if you are interested in nomination.

During July seen the passing of a well respected Founding and Life Member of the Bendigo Car Club in Frank Panozzo. In appreciation of the contributions the Frank and his family have made to the club in the past there will be a area, to be know as Frankie's picnic area, constructed adjacent to the canteen.

The July round of the club championships has produced another different round winner. This time Barry Farnell took over all honors ahead of John Hardiman and Murray McKenzie, and the best placed junior for the khanacross being Garrett Pinnell in 10<sup>th</sup> outright.

Paul King took out the motorkhana ahead of Mark Baker and Rohan Climas. In the juniors Luke Hume edged out Paul Wells and Chris Gill-Symons in 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> outright.

During the up coming months the club will be involved in running several events, as well as our club championship events, the first will be the our round of the VACS in the 28<sup>th</sup> August, and then in October we are part of the Mt Tarrengower hillclimb. If you are able to help out at either event it will be much appreciated.

**Yours in Motorsport.  
Craig Button  
President Bendigo Car Club.**

## Upcoming events to remember

### COMPLEX MAINTENANCE

After the last event, 10<sup>th</sup> July, the track only needed a light clean up. So there was a small working bee organised for the 23<sup>rd</sup> and 24<sup>th</sup> in which the mesh wire was strung out around the large dam and the Off Road track was prepared for the VORC event.

Over the next couple of months the rest of the wire will be put up around the other dam. Then we can make a start on the rebuilding of the toilet block using the bricks received from the old tennis court clubrooms.

### FUNNIES

Why God Invented Menopause.

With all the new technology regarding fertility, a 65 year-old woman was able to give birth to a baby recently. When she was discharged from the hospital and went home, her relatives came to visit.

"May we see the new baby?" one asked.

"Not yet," said the mother. "I'll make coffee and we can visit for a while first." Thirty minutes had passed, and another relative asked, "May we see the new baby now?"

"No, not yet," said the mother.

After another few minutes had elapsed, they asked again, "May we see the baby now?"

"No, not yet," replied the mother.

Growing impatient, they asked, "Well, when CAN we see the baby?"

"WHEN IT CRIES!" she told them.

"WHEN IT CRIES??" they demanded. "Why do we have to wait until it CRIES??"

"BECAUSE, I forgot where I put it."

### CAR CLUB MERCHANDISE

T Shirts \$23, Windcheaters \$30 and Baseball style caps \$15 are still available. Also, limited numbers of cloth patches with the club logo are available for \$6ea. Those interested should contact John Hardiman. Otherwise there will be some available at the Canteen on race days.
