Presidents Report.

Another month done for 2006. Where is the year going? The May round of the club championship was wet, there is a report later in this newsletter, and with about 50 entries the weather didn't deter many on the day.

Big thanks must go out to the Shirley Symons and her team of caterers at the Bagshot canteen, for their effort in bringing us a service that not only satisfies our hunger but also helps in creating a family social atmosphere.

Shirley wishes to thank those that have helped out over the time especially last month when she was unable to attend due to a family illness. I think that everybody is to be commended for this.

It's pleasing to see many of our club members traveling and doing well away from Bagshot. There are many of you, including: Brock Snowdon, Scott Innes, Mick Elvey, etc. Many of our members traveled to Shepparton on mother's day with Scott Innes taking overall honors and Mathew Stratford and Luke Hume taking 1st and 2nd in the juniors.

With the end of the club's financial year approaching please consider that there is a vacancy on the committee and with the Annual General Meeting on the first Thursday of August nominations are welcome from any member that meets the criteria.

Hope to see you all at the next meeting or at the track on the 4th June.

**Yours in Motorsport.
Craig Button
President Bendigo Car Club.**

Sporting Report

Round 3 Bendigo Car Club Championships

On the Saturday the 6th May the heavens opened up over Bagshot leaving the complex very damp, as a result the motorkhana leg of the day was cancelled and a revised Khanacross track was utilised in and around the Off Road track.

With around 50 entries and a late start everybody only had 4 runs for the day. Overall horrors went to Simon Boyer in the very slippery conditions. It turned out to be very challenging for the usual runners who over the last couple of years have not had to content with mud. Mathew Stratford was the best-placed junior.

Round 3 VCAS 14th May, Shepparton

Congratulation must go to the SDCC on a successful day. With 12 BCC members out of the 49 entries it was good to see such good support by us as well. Scott Innes took overall honours and Mathew Stratford and Luke Hume taking 1st and 2nd in the juniors. At the other end, he will hate me for this but, Chris Gill-Symons finished last overall in his little blue Corolla.

COMPLEX MAINTENANCE

At the working bee held on the 30th April most of the fencing of the of the small dam was completed as well as the extending of the small dam, this earth was used to replace some of that had been taken from the track on race cars over the years and the creation of some more spectator safety walls and viewing areas. There was also some low vegetation removed to give a clearer view of the Autocross track

Roger has nearly complete that work on the new grader with a test run being conducted on the 21st May before the final set up.

There is still lots more to do at Bagshot and any help is appreciated, just contact Roger Hall or Jim Coombs if you are able to assist. Either of them will be able to point you to a job to do.

CAR CLUB MERCHANDISE

T Shirts \$23, Windcheaters \$30 and Baseball stye caps \$15 are still available. Also, limited numbers of cloth patches with the club logo are available for \$6ea. Those interested should contact John Hardiman. Otherwise there will be some available at General Meetings and the Canteen on race days.

OFF ROAD NEWS

Only one off road event has been run in the last month, Red's Race, at Avalon on the 21st May. Dean Bennett's weekend didn't get under way in the best of manners with the V8 Hilux having difficulties with the transmission before he headed to Geelong without the green beast. On the other end of the range, Craig Button and David Anderson competing in their V8 Torana enjoying the cool, dusty conditions taking 1st in Class and 3rd Outright, and with the Mallee Rally only just over a week away there will be a few late nights preparing their vehicles if they are to make the event.

Greg Harris and Cameron McClelland are heading to Alice Springs to compete in the second round of the Australian off Road Championship after an encouraging debut in Western Australia during Easter.

Joyous June

How to tell the sex of a fly

A woman walked into the kitchen to find her husband stalking around with a fly swatter.

"What are you doing?" She asked.

"Hunting Flies" He responded.

"Oh. Killing any?" She asked.

"Yep, 3 males, 2 Females," he replied.

Intrigued, she asked. "How can you tell?"

He responded, "3 were on a beer can, 2 were on the phone."

You Meet The Nicest People Playing Golf

Two women were playing golf. One teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole.

The ball hit one of the men. He immediately clasped his hands together at his groin, fell to the ground and proceeded to roll around in agony.

The woman rushed down to the man, and immediately began to apologize "Please allow me to help. I'm a physical Therapist and I know I could relieve your pain if you'd allow me," she told him.

"Oh, no, I'll be all right. I'll be fine in a few minutes," the man replied.

He was in obvious agony, lying in the fetal position, still clasping his hands together at his groin.

At her persistence, however, he finally allowed her to help. She gently took his hands away and laid them to the side, loosened his pants and put her hands inside. She administered tender and artful massage for several long moments and asked,

"How does that feel?"

He replied, "It feels great ...but my hand still hurts like hell."
