## Presidents Report.

Welcome to another year of Motorsport.

This year we are giving you the members the chance to spread your motorsport wings with a bigger variety of events to compete in, including the usual motorkhanas and khanacross' in the club championship and this year also include an autocross in April which is our round of the VCAS and bitumen sprint at Shepparton's DECCA complex. With the extended championship this year you will also be dropping the worst 2 rounds in the overall club championship instead of one as has been in the past.

But first up this year we have our presentation evening at the Maiden Gully rooms on the 9<sup>th</sup> February. Then the next day we have planned a training day to allow all to gain valuable knowledge from others. It may be in setting a car up or driving technique, both juniors and seniors are able to take passengers in this event for tuition purposes, not just a "ride with a mate" like has been done in the past. The basic format for the day will be the same as a normal BCC motorkhana/ khanacross. Not only is this a training day for the drivers it is hoped that most of the members in attendance will also be able to gain some experience in helping out as an official as well.

During this year it is hoped that the officiating work load can be spread across a broader group of members and allow some of the guys and girls who are out there every month to relax just that little bit more.

**Yours in Motorsport.**

**Craig Button**

**President Bendigo Car Club**

### CLUB MERCHANDISE

T Shirts \$23, Windcheaters \$30 and Baseball style caps \$15 are still available. Also, limited numbers of cloth patches with the club logo are available for \$10ea. Those interested should contact John Hardiman. Otherwise there will be some available at General Meetings and the Canteen on race days.

### WEB SITE

The administrator of the web site needs your input with information. Send any items of interest to [enquires@bendigocarclub.com.au](mailto:enquires@bendigocarclub.com.au) what ever they may be: photos, links to other sites, reports on events that you have been to or things that you would like to advertise for sale or buy.

If you of anybody that has participated in an activity that may be of interest to others, please pass it on to me at [enquiries@bendigocarclub.com.au](mailto:enquiries@bendigocarclub.com.au)

### MAINTENANCE REPORT

Over the Christmas break Roger Hall has been doing his usual bit in preparing the competition areas and as part of this he has also ran the grader around what is hoped to be the new khanacross test area in what is known as the Off Road loop. Next time any members are out at Bagshot we encourage you to view this area, at this stage it is not good enough to drive around in a road car, but please check it out and give us any feed back. It is hoped that over the coming year work will commence and we will be calling on your help when this happens.

There will be a working bee in the coming weeks to put the roof on the new toilet block and finish the roof on Frankie's area in front of the container, Chris Hume will be the team leader on this so if you are available please help out as many hands make light work.
