Presidents Report.

Over the last couple of years the membership of our club has grown and many of these members are juniors, CAMS Victorian office has seen this and commended us on nurturing motorsport at this level, and as a result many other clubs are contacting us for advice.

The end of the Bendigo Car Club membership year is fast approaching; this also means that nominations for the committee are being called for. There are 2 vacancies presently on the committee and 3 others that are due for re-nomination. So if you have any ideas and want to be part of the club's organizing group, don't hold back, and let John Hardiman or Tony Moore know before the AGM on the 7th August.

Not only do we need nominations for the committee there is a need for more accredited officials, I know many of you have helped out on the day with various roles with the new roster system that is being used this year but with the number of events being conducted there is only a small number of members that can undertake the key roles at events and they all also compete when they are not officiating. This month sees the 3rd running of the Phil Doherty Car Sales Junior Challenge, the 2 previous events saw close and surprising results and given the number of juniors currently competing at our monthly events this year should be no different.

**Yours in Motorsport.
Craig Button
President Bendigo Car Club**

Editors Note.

Sincerest apologies to all members for the delay in this month's Crossflow distribution. No excuses, purely my fault and won't happen again.

Regards,

Brad Moody

Event Reports

Off Road Report

The Queens Birthday weekend sees the Sealake Mallee Rally run for the 35th year. The newer members of the BCC may not realize but it was the BCC predecessor the Light Car Club Australia, Bendigo Branch who started this event under the direction of Frank Coad and Max Jackman. There are several crews from the BCC making the trip up the Calder highway again this year to tackle the Lake Tyrrell course.

Good luck to them all.

Round 4 BCC championship 3rd May.

Khanacross

62 drivers in the khanacross and 31 in the motorkhana entered the day/evening event at Bagshot. In the Khanacross the top 4 battled it out all day with Craig Hardiman eventually edging out John Hardiman, Murray Mackenzie and Gary Doherty.

Gary Davis in the Yamaha special had what you may call a night to forget, having trouble seeing in the dark and the dust.

John Strauch showed that you don't need a 4WD to be up the front finishing 5th and 1st in class B, Craig Thomas dominated the juniors and pushed the leading seniors finishing an impressive 6th outright in his Nissan Pulsar.

Renee Larter stepped out of the 4WD from the VCAS and into the Team Skyline Nissan to take out the ladies ahead of Tanya Pickering.

In the motorkhana the Dads showed the kids how to do it with Peter Panozzo edging out Andrew Marshall, Peter Thomas and Jimmy Gill. Nick Boswood who "borrowed" Corey Talbot's Corolla took out the junior's.

Tammy Gill once again won the ladies section, while Jessica Farrar was the top placed junior lady.

2008 Social Tour

Due to bad weather on the 18th May the Social Tour was postponed. The new date for the event will be October 11th, this is the Saturday of the Bathurst 1000 weekend.

Scrutiny School

The first time for many years that this is to happen outside Melbourne. If we are to encourage CAMS to conduct further courses outside the Melbourne area, we need to make this work. The only cost involved is getting your self there! It's at our clubrooms Sunday 20th July.

If you wish to undertake this course please email or phone Bruce Carter for more details:
