## **Presidents Report.**

First of all I would like to thank all who attended the June working bee, the work done was excellent and there were plenty of comments at the last event on the work that was done. WELL DONE! Let's hope that next time; a few more new faces will be able to attend.

The 7<sup>th</sup> August will not only be the monthly general meeting, it will also be followed by the 2007/2008 Bendigo Car Club Inc, Annual General Meeting. If members are interested they can nominate for the committee prior to the AGM. On Sunday the 20<sup>th</sup> July a scrutiny school was held at our Maiden Gully clubrooms, this was an outstanding success with 30 participants from all over the state in attendance, 7 of which were Bendigo Car Club members.

At the last club day a noise meter was in use with some pleasing results. The CAMS imposed noise limit is 95dba was not broken by any competitor checked. This will continue to be monitored form time to time because with a few new houses being built in the area we need to be proactive to make sure that we do not leave ourselves open for criticism from our neighbours.

At the last general meeting a question was asked if the committee could look into the club class's. A suggestion that the committee have come up with is as follows;

Any forced inducted 2WD will have their engine displacement multiplied by a factor of 1.7 to calculate their classification.

Class A- Production based vehicles up to 1800cc  
Class B- Production based vehicles from 1801cc to 2500cc

Class C- Production based vehicles more than 2501cc

Class D- 4WD's and Specials, eg tubular framed regardless of engine capacity.

Any feedback on this can be passed on to anybody on the committee or email them to

In the juniors Aaron Marshall took a leaf out of dad's book to edge out Craig Thomas with Corey Talbot third. ## Reminders

### V8 Team Tour.

Expressions of interest are being called for a proposed tour of the Paul Weel Racing (PWR) Head Quarters in Melbourne.

The proposed date is the Saturday 27th September.

A suggested program is we leave from Maiden Gully club rooms, a stop at a major shopping centre in Melbourne for travellers that do not wish to be bored with a race team tour. Then after the tour of the workshop and the shoppers have filled the bus storage lockers, all will then go to a Family Restaurant for a meal before heading back to Bendigo.

The only cost would be for the bus and the meal.

If you are interest in this please phone or email Craig Button on 0427 511158 or [enquires@bendigocarclub.com.au](mailto:enquires@bendigocarclub.com.au).

## Nominations for the Committee.

With the club AGM on the 7<sup>th</sup> August its time to think about nominating for a role on the BCC committee. As it stands there is one vacancy due to work commitments and 3 current committee members up for re-nomination. If there is any general members interested in joining the committee please feel free to do so. In doing so you will be able to have a say in the direction the club is heading in the short and long term.

For nominations, you can contact the club secretary, John Hardiman.
