## **Presidents Report.**

What a busy couple of months we have just been through, with several high profile key events that have once again portrayed our club in a very positive light. Thanks must go out to those of you who organised, officiated and supported these events. However we all need to look more closely on the number of events that the club both runs and are involved with because it was very apparent that even though the club has a very high member and participation rate in events there is a distinct lack of volunteers that come forward to offer their services. I know this is not a problem we have on our own with all sorts of organisations suffer the same problem, but it is getting to a point where some of the regular volunteers are getting burnt out leaving us even more short handed. Please have a think about this for the future of our club.

Enough of the negatives, Saturday 20<sup>th</sup> November saw about 60 past and present members of the Bendigo Car Club and LCCA, Bendigo Branch gather at the maiden Gully club rooms to mark the 60<sup>th</sup> Anniversary of our club, those present heard from past presidents and committee members as well as lift members reflecting on their experiences in the club. Thank you for Mick and Craig for organising the night. The clubrooms look a treat with all the work that Craig Hardiman and his many helpers have done in giving them a make over.

With only one event left and the end of the year fast approaching I would like to on behalf of the committee take this opportunity to wish everybody a Merry Christmas and a Happy and Safe New Year. And hope to see you all next year.

**Yours in Motorsport.

### **EVENT REPORTS BCC Hill Climb, VCAS rd 7-11-10**

A field restricted to 81 drivers started the day for the point to point event at the Bagshot complex, the day went well with the only hiccup being when one of the competitors broke the wheel studs and finished up leaving the vehicle in the middle of the sweeper for the day. Bendigo drivers did well but the over all honours went to vehicle that would look more at home on the set of Mad Max, a cut down Mitsubishi EVO.

Full results are available on the website or attached to this newsletter.

### **BAGSHOT SHORT COURSE OFF ROAD 14-11-10**

Rain overnight both Friday and Saturday nights made track conditions very interesting; with hard grip sections as well as some very slippery areas. This was a change from previous years where we have had major dust issues. 14 crews started with 5 of them being BCC cars. Unfortunately the high ratio of BCC members didn't mean a winning edge, but in saying that there were three second places; Ken Holt and Natasha Gill-Symons- Super 1650, Michael and Jamie Sagers- Sportsman and Craig Button and David Anderson- 2WD Extreme.

### **BCC Championship Eligibility**

To be eligible for the 2010 Bendigo Car Club Championship members must have nominated and officiate at least one of the non BCC championship events that was calendered.
