### **Presidents Report.**

Easter fast approaches our Salesyard Dash & Motorfest are well on the way. Thanks to Bendigo Specialist Brake & Cluch and Parcel Pass for their valued support of this event. We still need some HELPERS on the day. The next few months are going to be busy for the club. Hope you have a Happy Easter and will see you all at the sale yards.

#### **Club at the cross roads!! or is it?**

We are the envy of a lot of clubs, we have our own club rooms and we own our own land that the club rooms are on and the race track at Bagshot with all our equipment. The committee are just the Custodian of the Club, it belongs to YOU all the members.

But we need YOU to all have a long hard look and think about the club. We have 2 committee members who would like to step down and another 2 wanting to step back next year. So if you want the club to continue we need somebody to step up. We have a very good reputation for running good events and this is due to the current members. We have Mt Tarrengower,

Eddington sprints, Sale Yard Dash and Mopars Motorkhana that 4 members run and these 4 would like to step aside. We are willing to help until you know how things go. We also need to have 3 big working bees for us to get our track license, the first will be on the 11th April on Saturday to clean up the track, restack tyre walls and stack trees ready to be burnt. This is all in readiness for our VCAS event. I hope 20 to 30 members are willing to help, these members will receive 20 bonus points towards the club championship. We hope you can help with YOUR CLUB we need 3 tandem trailers 3 chainsaws, rakes picks shovels and axes. Some wood for collection for helpers, will be available on the day and a BBQ lunch will be provided. Hope to see you at YOUR club on 11th April 9am to approx. 2 pm.

Thank you DON" T FORGET THIS IS YOUR CLUB

### **USE OF JUNIORS CARS AT BAGSHOT**

At the July BCC General Meeting a motion was passed to restrict the use of the club's automatic junior cars to the motorkhana part of the day. This has been brought about because of the need to preserve these vehicles for young novice juniors in their first few events. If a junior wishes to progress from motorkhana to khanacross they are highly encouraged to use a manual, if this is not possible they can apply to the director of the day for use of the automatic, this will only be given in special circumstances

# VICROADS CLUB PERMIT SCHEME

As of the 1 February VicRoads have changed the requirements associated with the Club Permit Scheme, these new requirements can be found on the VicRoads website <https://www.vicroads.vic.gov.au/registration/limited-use-permits/club-permit-scheme>

With the VicRoads requirements in mind the BCC committee have reviewed the club's CPS requirements, below is an overview what is now required, the VicRoads requirements will also need to be read in conjunction.

- Full Roadworthy for all new applications. (post 1948)
- All new applications will need to supply a set of dated photos for future reference to the Club Permit Scheme (CPS) Officer. (See below)
- All renewals for the next 12 months must also supply same photos as above.
- All Applications and Renewals to be processed at BCC General Meetings or at a Committee Meeting by appointment, owner must bring vehicle to the meeting where CPS Officer will review the supplied photos against the CPS vehicle, before signing the renewal.
- A copy of all permits/photos/etc will be kept in a locked cabinet at the BCC clubrooms, there will be three (3) authorised signatories, who will have access to this cabinet.
- There will no longer be an annual inspection unless the CPS Officer believes the vehicle has been modified beyond the requirements of the CPS scheme or the vehicle appears to be in an unacceptable standard of condition for a Club permit.
- For all New Applicants they must be a member for at least 6 months and attend at least one BCC General Meeting and one BCC event as a competitor or official, prior to applying for a Club permit.
- Permit holders must still attend at least 2 BCC General Meetings and 2 BCC Events during the permit year before the CPS officer will sign off the CPS Renewal.

Photo requirements are as follows, all photos to be dated and verified.

- Front View.
- Drivers Side, door closed.
- Rear View.
- Driving Position, side view with driver's door open.
- Engine Bay
- Where possible, Identifiers such as, Chassis and or Engine No's.
- Other photos may be requested by the CPS officer.
