## **Presidents Report.**

Things are moving along nicely, we have run our VCAS event. Well run by Chris Hume and Mick Elvey. All officials did a great job, Darden with scrutineering, Spanna and the time keepers. We had 77 entries and 75 starters. 300 cars over the track and it held up well despite no rain on it, some of the corners were real gripeeee. We had 4 runs, the first event only had 50 starters. They had 6 runs we put 25 more cars per run over our track with little or no hold ups. A great job by all.

Club members... when at Bagshot at an event or working bee please lift the bonnets on the Pajero and Hilux and turn off the

battery isolation switch if you are the last to use them. The Hilux now has a flat battery which needs to be charged up.

We have equipment at Bagshot that can be used by our members but if you borrow it please return it, don't leave it for someone else to pick up after you have finished with it.

The dam should be cleaned out in the next couple of weeks, I mean one third of the dam which could be up to 800 metres of dirt, and new track material will be picked up also in the next couple of weeks, so half our money has been used up.

Last thank you to all who packed up on the VCAS event.

See you all at the club meeting

**Due to the ALBINS Gearboxes Tour Ballarat 5<sup>th</sup> May there will be no General Meeting at the Maiden Gully clubrooms**

## **BCC Sporting Report**

Welcome to another sporting month.

Last month we had the VCAS Round at Bagshot. We had a good turn up of 75 entries. The day went well with everybody getting a number of runs each, everybody seemed to be happy with the day. It was great to see such a good roll up of officials to help with the running of the event on the day.

On Saturday May 14<sup>th</sup> we have the Twilight Khanacross/Motorkhana at Bagshot. Entries for the event can be made on the Club website or on the day. Officials will be needed on the day.

Looking for expressions of interest for going to Winton to run a Winton Super Sprint Round on Saturday August 27<sup>th</sup>.

In June, Saturday 11<sup>th</sup>, we will be running the Mid-State Mopars-Bendigo Specialist Brake and Clutch Motorkhana at the Bendigo Livestock Exchange; officials will be needed.

Thank You.  
**Darden Brown**

## **Bendigo Car Club working bees**

The 28<sup>th</sup> May working bee has been cancelled, but the 30<sup>th</sup> July working bee is still on as planned and will carry 10 points per attendee towards the 2016 BCC Club Championship.

# **VICROADS CLUB PERMIT SCHEME**

As of the 1 February VicRoads have changed the requirements associated with the Club Permit Scheme, these new requirements can be found on the VicRoads website <https://www.vicroads.vic.gov.au/registration/limited-use-permits/club-permit-scheme>

With the VicRoads requirements in mind the BCC committee have reviewed the club's CPS requirements, below is an overview what is now required, the VicRoads requirements will also need to be read in conjunction.

- Full Roadworthy for all new applications. (post 1948)
- All new applications will need to supply a set of dated photos for future reference to the Club Permit Scheme (CPS) Officer. (See below)
- All renewals for the next 12 months must also supply same photos as above.
- All Applications and Renewals to be processed at BCC General Meetings or at a Committee Meeting by appointment, owner must bring vehicle to the meeting where CPS Officer will review the supplied photos against the CPS vehicle, before signing the renewal.
- A copy of all permits/photos/etc will be kept in a locked cabinet at the BCC clubrooms, there will be three (3) authorised signatories, who will have access to this cabinet.
- There will no longer be an annual inspection unless the CPS Officer believes the vehicle has been modified beyond the requirements of the CPS scheme or the vehicle appears to be in an unacceptable standard of condition for a Club permit.
- For all New Applicants they must be a member for at least 6 months and attend at least one BCC General Meeting and one BCC event as a competitor or official, prior to applying for a Club permit.
- Permit holders must still attend at least 2 BCC General Meetings and 2 BCC Events during the permit year before the CPS officer will sign off the CPS Renewal.

Photo requirements are as follows, all photos to be dated and verified.

- Front View.
- Drivers Side, door closed.
- Rear View.
- Driving Position, side view with driver's door open.
- Engine Bay
- Where possible, Identifiers such as, Chassis and or Engine No's.
- Other photos may be requested by the CPS officer.

## **Weather shelter.**

As you should have read in previous Crossflows, we are still missing a 3X3mtr Blue foldup weather shelter with the Bendigo Car Club logo printed on one side, after the Mt Tarrengower Hillclimb. What we ask is that in your travels please keep an eye out for it at events you are attending and if you see it please let someone know.

## BCC JUNIORS CARS

We need somebody to look after the club cars on event days please. Contact Mick Elvey on 0428506492 if you can assist thank you  
At the July BCC General Meeting a motion was passed to restrict the use of the club's automatic junior cars to the motorkhana part of the day. This has been brought about because of the need to preserve these vehicles for young novice juniors in their first few events. If a junior wishes to progress from motorkhana to khanacross they are highly encouraged to use a manual, if this is not possible they can apply to the director of the day for use of the automatic, this will only be given in special circumstances

## Contact List

The Bendigo Car Club is a multi-disciplined motorsport club that gives its members the opportunity to compete in a wide range of activities. Below is a list of members who can be contacted in regard to specific disciplines of motorsport. It is also hoped that each month a list of upcoming events that our members are travelling to will be listed so that other members can go along and support their efforts.

WHERE DID THE WHITE MAN GO  
WRONG? TOUGH TO ARGUE WITH THIS  
ONE.

*Indian Chief 'Two Eagles' was asked by a white government official, 'You've observed the white man for 90 years. You've seen his wars and his technological advances. You've seen his progress, and the damage he's done.'*

*The Chief nodded in agreement.*

*The official continued, 'Considering all these events, in your opinion, where did the white man go wrong?'*

*The Chief stared at the government official for over a minute and then calmly replied.*

*'When white man find land, Indians running it, no taxes, no debt, plenty buffalo, plenty beaver, clean water.*

*Women did all the work, Medicine man free.*

*Indian man spend all day hunting and fishing; all night having sex.'*

*Then the chief leaned back and smiled.*

*'Only white man dumb enough to think he could improve system like that.'*
